A letter for you

Dear Tharindu,

I just wanted to take a moment to celebrate you and all that you've accomplished this year. Your passion for Computer Engineering shines through in everything you do, and it's incredible to see how much you've grown. From starting your position as a Junior Data Scientist at Omdena to achieving an impressive ranking in the IEEEExtreme coding competition, you are truly making your mark!

Your dedication to Cybersecurity and AI is inspiring, and I have no doubt you will make a significant impact in these fields. It takes both talent and hard work to pursue your dreams, and you've shown so much of both.

Thank you for being a light in this world, constantly pushing boundaries and encouraging those around you. I'm excited to see where your journey takes you next, and I'm proud to support you every step of the way.

Keep reaching for the stars, Tharindu!

With all my best,
Cleve
